Dear Parents/Guardians,

The entire school will be taking the **PARCC Assessment** from **April 6 through May 13, 2016**. This letter is to inform you of the dates of the test and how to adequately prepare your child to be successful. There is information available online on the Millville site on the left side PARCC Resources at <http://mps.millvillenj.gov>

Please make every effort to have your child to school on time during the weeks of testing and to schedule vacations and early dismissal during the times we will not have testing. Any student who is late for school will not be permitted to take the test, and will have to complete the test during the make-up testing week. Be sure to have your child eat a good breakfast and get adequate sleep in order for them to do their best. And, most importantly, encourage your child to do their very best on the test! Let them know you support their efforts and want them to do well.

Dr. Spike Cook
